

Speed

1. If there are no other signs how can you tell what is the speed limit?
2. What does the “National Speed Limit” sign mean?
3. When should you reduce your speed?
4. Why is it not always safe to drive at the speed limit?
5. Why could it be dangerous to drive too slowly?
6. Why should you not speed up and slow down in a road with speed humps?
7. Why should you be particularly careful about your speed after traveling on a dual carriageway?
